WEBSITE INSTALLATION

This user manual aims to guide users how to access and use the DNBC website effectively. It is recommended for users to review this material prior to commencing practical use of the website.

To view the project's figma, access this link:

<https://www.figma.com/file/AoEt67vaM7FwqS8bPQMGTW/Untitled?type=design&node-id=19%3A179&mode=design&t=CgOr8sZEWlpvOdxL-1>

To run DNBC, users have two options:

1) Direct access via our project github link:

<https://corn-it.github.io/eProject-DNBC-News/pages/index.html>

2) Download our project from github by following these steps:

Step 1: Visit our group project github repository address at:

<https://github.com/Corn-IT/eProject-DNBC-News.git>

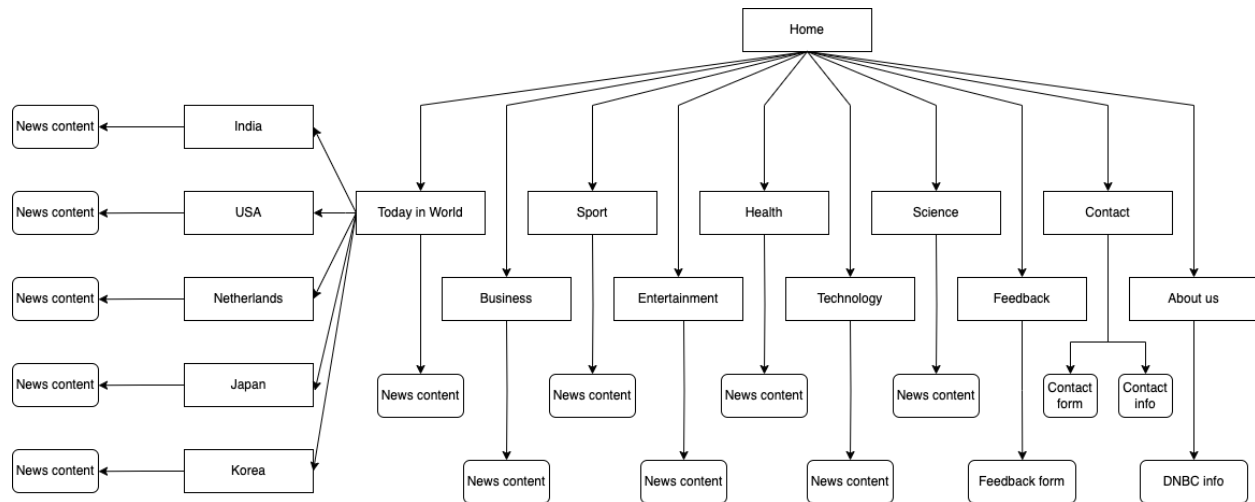

Step 2: In the < > Code tab, click Download as ZIP

Step 3: Extract file rar: eProjecr-DNBC-News-main.

Step 4: Open index.html file to start the website.

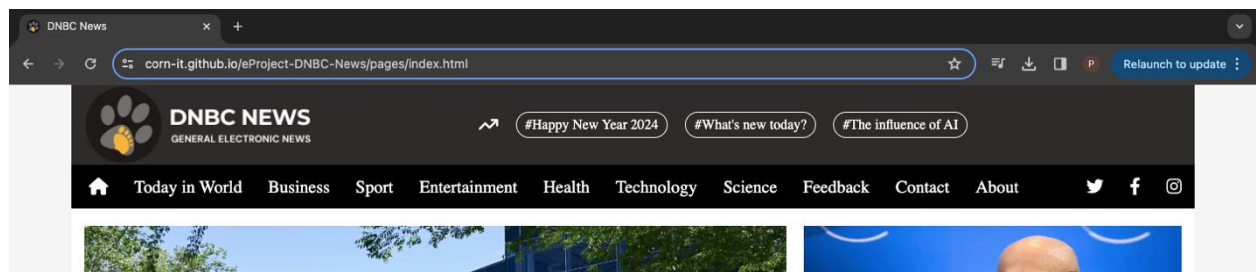

OVERVIEW

There is a total of 10 main pages in DNBC and a sizeable number of posts and news content.

1. Header

The header is on top of every page in DNBC. The header contains the DNBC logo and a navigation bar with to all the news categories of DNBC and other sections. It also contains trending hashtags and hyperlinks to social media (Twitter, Facebook, Instagram).

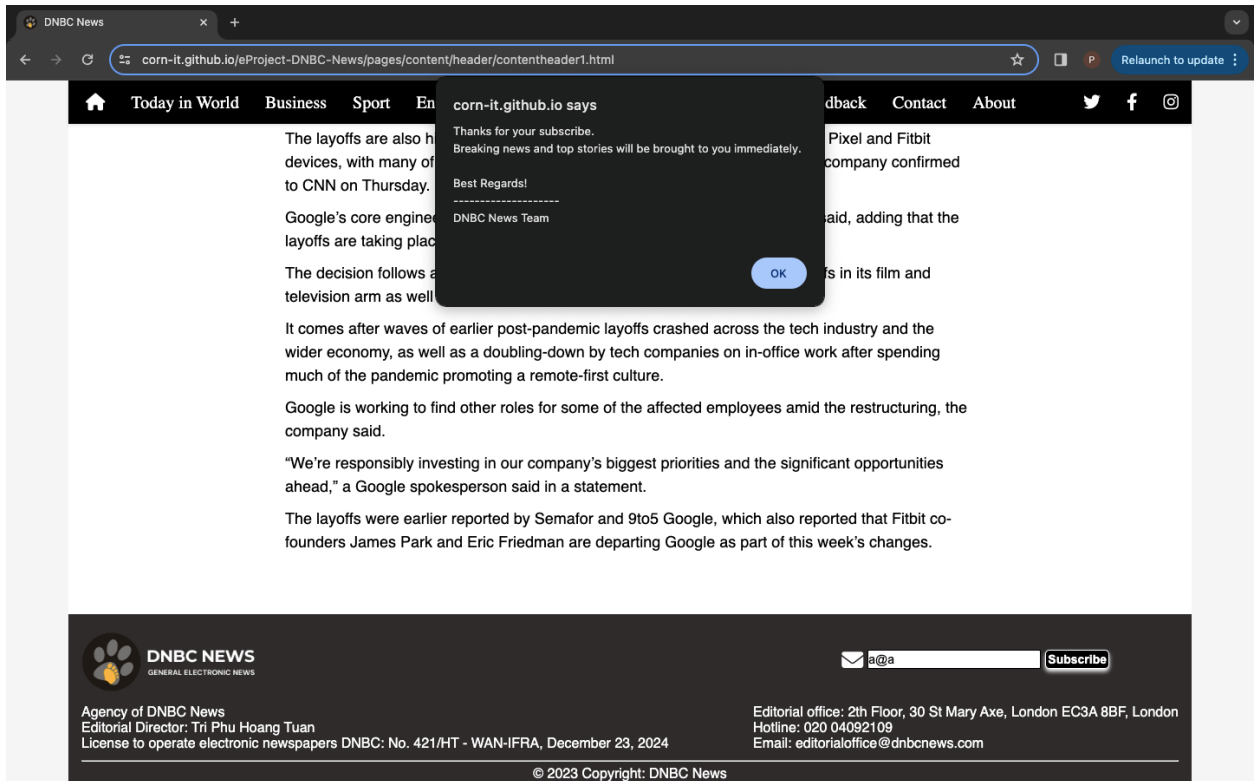

2. Footer

The footer is at the bottom of every page in DNBC. The footer contains information about DNBC. Users can also subscribe to DNBC by entering their email address in the “Enter your mail input” and clicking subscribe. If email address entered is not in a valid format, users will be asked to re-enter their email address. If the email address entered is in a valid format, the data will be accepted and users will receive notification from DNBC.

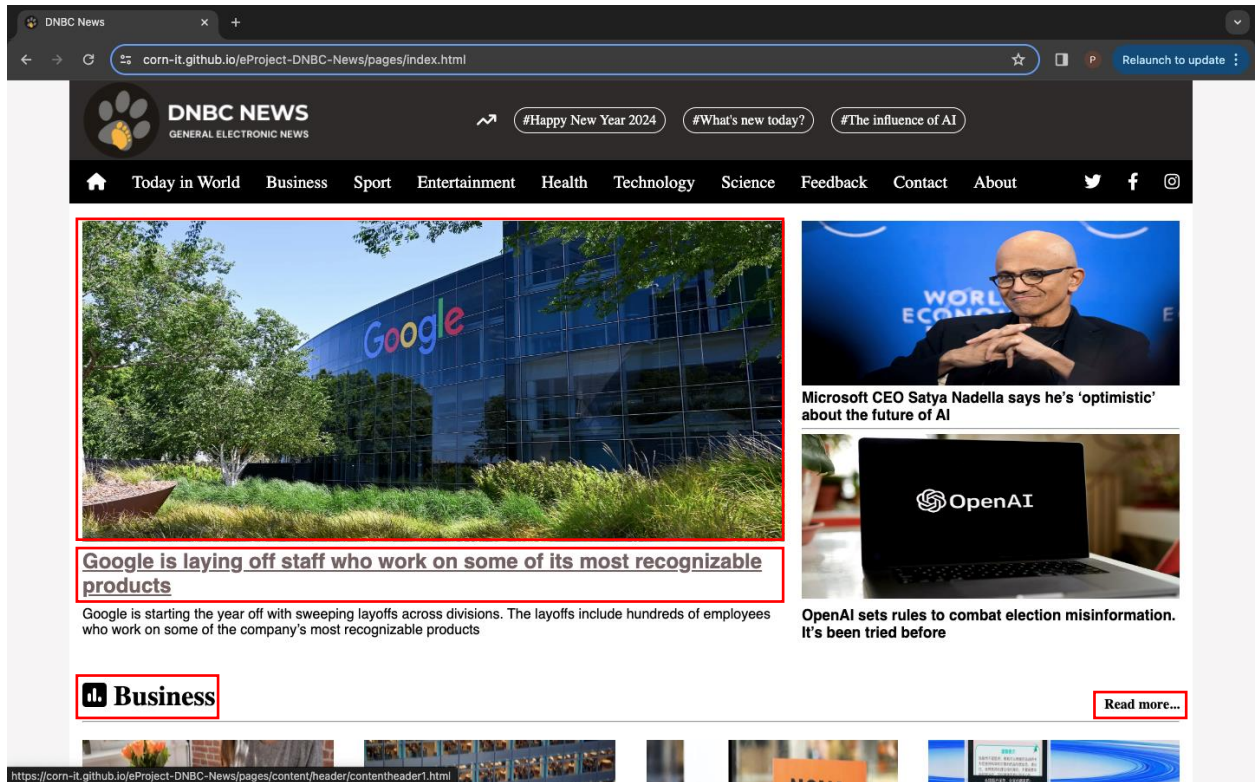

Case 1: The email address entered is not in a valid format

Case 2: The email address entered is in a valid format

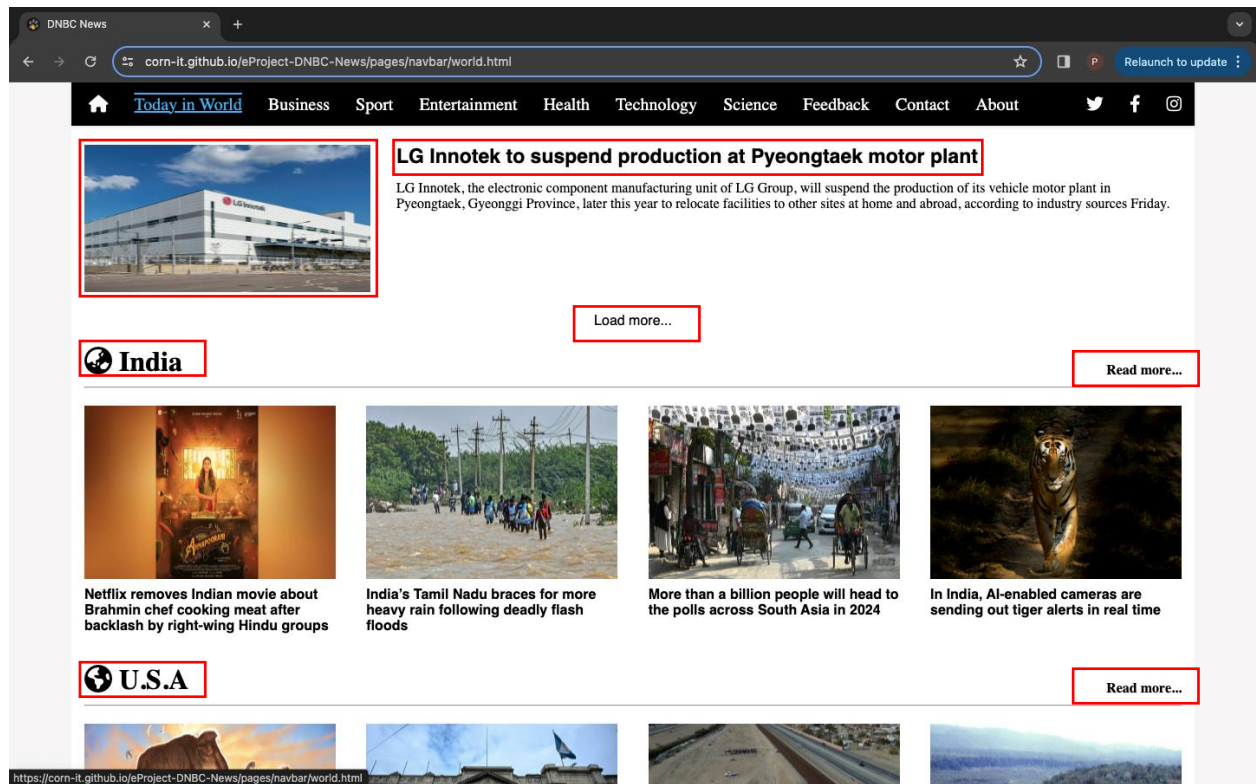

3. Home

The home page contains hyperlinks to posts and sections of DNBC. Users can click on the image or the heading of a post to access the content. Users can also click on the heading of the sections to access the corresponding section. Users can also click on “Read more” access the corresponding section.

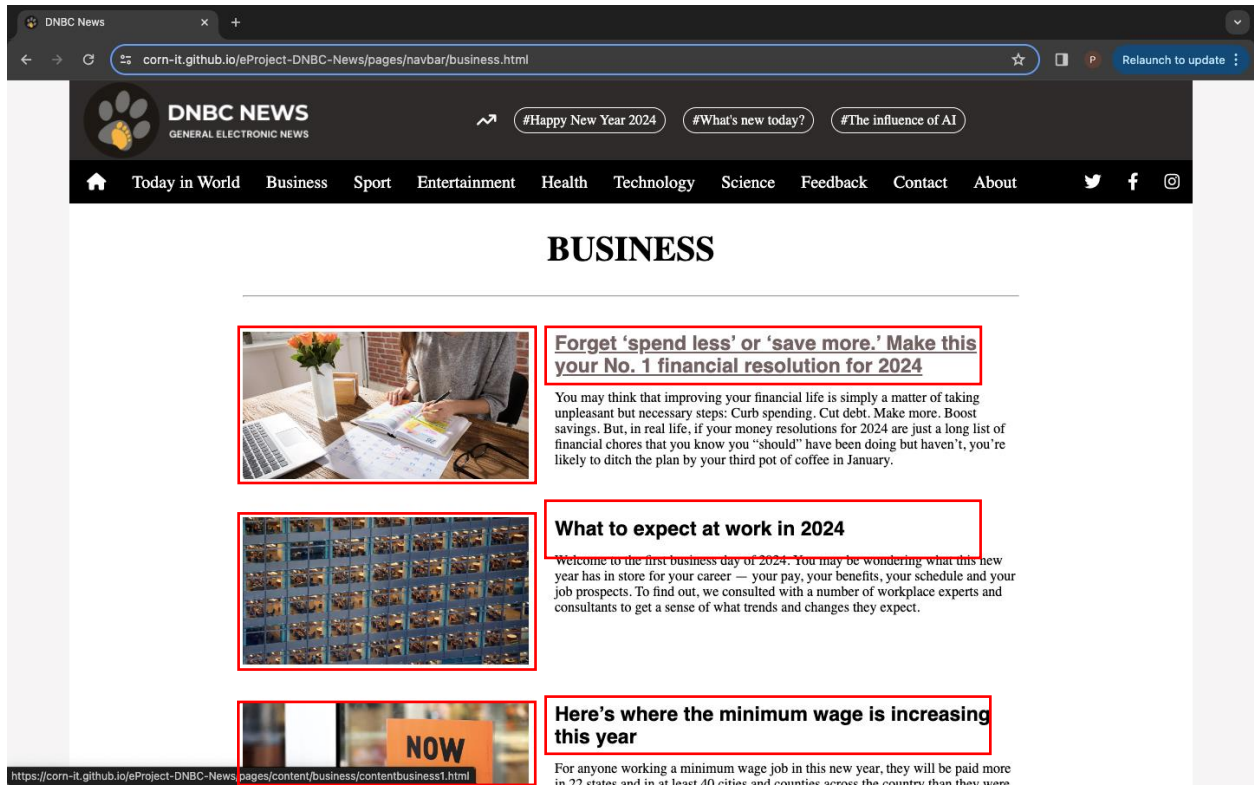

4. Today in World

The Today in World page contains hyperlinks to posts of Today in World and posts of popular countries. Users can click on the image or the heading of a post to access the content. Users can also click “Load more...” to read more posts. Users can also click on the heading of a country to access the corresponding country. Users can also click on “Read more” access the corresponding country.

5. Business, Sport, Entertainment, Health, Technology and Science

The Business, Sport, Entertainment, Health, Technology and Science pages are the sections of DNBC. Users can click on the image or the heading of a post to access the content. Users can also click “Load more...” to read more posts.

6. Feedback

The Feedback page contains the feedback form for users to submit. The form requires the following inputs: Name, Email Address (valid format), Phone No. (10-digit), Satisfaction Rating, Suggestions. If the users miss an input field or have entered an invalid value, they will be asked to retype their input. If all the input is valid, the form will be submitted and the users will receive a notification.

The screenshot shows a web browser window with the URL `corn-it.github.io/eProject-DNBC-News/pages/navbar/feedback.html`. The page header includes the DNBC NEWS logo and navigation links. The main content is a "Feedback Form" with the subtitle "It only takes two minutes!!". The form contains the following fields and elements:

- Name:** A text input field that is currently empty.
- Email Address:** A text input field containing "a@a". A tooltip message "Please fill out this field." is displayed above the field.
- Phone No:** A text input field containing "1000000000".
- Do you satisfy with our service?:** A radio button group with "Yes" selected and "No" unselected.
- Write your suggestions:** A text area containing "Nice website!".
- Submit:** A black button at the bottom of the form.

Case 1: Missing input from the Name field

This screenshot shows the same feedback form as Case 1, but with a confirmation dialog box overlaid in the center. The dialog box contains the following text:

corn-it.github.io says
You have successfully sent feedback, thanks for your feedback.
We'll look closely at what you've said and see how we can improve things.
Best Regards!

DNBC News Team

At the bottom right of the dialog box is an "OK" button. The form fields in the background are now filled with the following values:

- Name:** "A"
- Email Address:** "a@a"
- Phone No:** "1000000000"
- Do you satisfy with our service?:** "Yes" (selected)
- Write your suggestions:** "Nice website!"
- Submit:** A blue button.

Case 2: Successful submission

7. Contact

The Contact page contains the contact form for users to submit. The form requires the following inputs: Name, Email Address (valid format), Phone No. (10-digit), Satisfaction Rating, Suggestions. If the users miss an input field or have entered an invalid value, they will be asked to retype their input. If all the input is valid, the form will be submitted and the users will receive a notification.

The screenshot shows the DNBC News website's contact page. The browser address bar indicates the URL is `corn-it.github.io/eProject-DNBC-News/pages/navbar/contact.html`. The website's navigation bar includes links for Today in World, Business, Sport, Entertainment, Health, Technology, Science, Feedback, Contact, and About. The main content area is titled "CONNECT WITH US" and includes a message: "We would love our readers to respond and contact with us, visit the DNBC News website for breaking news and the latest top stories in world news, business, politics, health, and culture."

The contact form is divided into two columns. The left column, titled "Contact Form", contains the following fields:

- Name:** A text input field.
- Email Address:** A text input field with a validation error message: "Please fill out this field." The input contains "a@a".
- Phone No:** A text input field with the value "1000000000".
- Would you like customer service to call back?:** A radio button selection with "Yes" selected and "No" unselected.
- Write your suggestions:** A text area with the input "Nice website!".
- Submit:** A black button at the bottom of the form.

The right column, titled "Our information", contains the following details:

- Email:** editorialoffice@dnbcnews.com
- Phone:** 020 04092109
- Website:** [Visit our Website](#)
- Address:** 2th Floor, 30 St Mary Axe, London EC3A 8BF, London
- Map:** A Google Map showing the location of 30 St Mary Axe (The Gherkin) in London.

Case 1: Missing input from the Name field

The screenshot shows a web browser displaying the DNBC News contact page. A dark notification box is overlaid on the page, indicating a successful submission. The notification text reads: "corn-it.github.io says", "Thanks for contact us, we will reply as soon as we can!!", "Best Regards!", and "DNBC News Team". Below the notification is a blue "OK" button. The background page features a navigation bar with links: "Today in World", "Business", "Sport", "Entertainment", "Feedback", "Contact", and "About". There are also social media icons for Twitter, Facebook, and Instagram. The main content area is divided into two sections: "Contact Form" and "Our information". The "Contact Form" includes fields for Name, Email Address, Phone No, and a section for suggestions. The "Our information" section lists the email address, phone number, website, and address, accompanied by a Google Map of the location at 30 St Mary Axe.
